Safeguarding

Hampshire Safeguarding Children Partnership

The Hampshire Safeguarding Children Partnership (HSCP) [Homepage - Hampshire SCP](#) is dedicated to keeping children safe and ensuring their wellbeing within Hampshire. It brings together local agencies to ensure effective child protection services. The partnership coordinates safeguarding services, identifies and responds to children's needs, and conducts local child safeguarding practice reviews. The HSCP also provides training and resources for professionals working with children and families.

Resources that may be of particular interest are:

[Toolkits - Hampshire SCP](#)

[HSCP Briefing - Thematic Review – Safeguarding Children and Reduced Educational Engagement](#)

[Valuable Children with Disrupted Education - Hampshire SCP](#)

[Educational Neglect Advice - Hampshire SCP](#)

Stop Domestic Abuse

[STOP DOMESTIC ABUSE](#) in Hampshire offers a range of services specifically designed to support children and young people affected by domestic abuse. These services include:

- **one-to-one support:** personalised support, advice and education for school-aged children (4-17 years) who have experienced or are currently experiencing domestic abuse
- **group work:** various group programmes aimed at improving confidence, self-esteem, understanding healthy relationships and ensuring personal safety. These groups are available for children aged 5-17

Support for Kinship Carers

Hampshire Family Connections Service

The Family Connections Service at Hampshire County Council:

[I'm a Special Guardian | Children and Families | Hampshire County Council](#)

<https://fish.hants.gov.uk/kb5/hampshire/directory/advice.page?id=dpFQbT16HyQ>

can provide guidance, support and practical advice about special guardianship, whether you're considering a special guardianship order, currently being assessed or have had an order granted. These services include:

- support groups across the county
- training and 'lite bites' for special guardians on a range of themes, including life story, attachment and supporting children who have experienced trauma
- applications for the adoption and special guardianship support fund
- monthly newsletter

Contact via FCSSGO@hants.gov.uk

Kinship

[Kinship](#) is the leading charity in England and Wales dedicated to supporting kinship carers.

The support offered by Kinship includes:

- advice and guidance for kinship carers
- workshops and roadshows
- support groups and peer networks
- resources for professionals, including schools and social workers
- digital toolkits for events like Kinship Care Week

Kinship Carers UK

[Kinship Carers UK | kinship](#) is a national charity that supports kinship carers. The charity recognises the vital role these carers play and works to ensure they receive the support, training, and advocacy they need. The key services they offer are:

support groups: local peer-led groups offering emotional support, advice and encouragement. **Bespoke training:** tailored training for kinship carers and the professionals working with them. **Advocacy services:** helping carers navigate legal, educational and social care systems. **Youth club:** a dedicated space for children and young people (aged 6–16) in kinship care to connect and thrive

Family Rights Group

[Family Rights Group](#) is a leading child welfare charity in England and Wales. It supports families whose children are involved with or need children's services due to welfare concerns. The charity combines legal and social work expertise, advice services, policy advocacy and direct support for families and young people

Roles and Responsibilities

Non-statutory Guidance

The non-statutory guidance for [Promoting the education of children with a social worker and children in kinship care arrangements: virtual school head role extension - GOV.UK](#) aims to support local authorities in promoting the educational outcomes of these children. This guidance helps ensure that children with a social worker receive the support they need to thrive in their educational journey.

Championing Kinship Care - National Kinship Care Strategy

The [Championing kinship care: national kinship care strategy - GOV.UK](#) sets out a comprehensive plan to improve support for kinship families. With a focus on better outcomes for children, the strategy includes a £20 million investment to enhance financial, emotional and practical support for carers, improve access to training and advice, and raise awareness across education, health and social care.

Working Together to Safeguard Children

The [Working together to safeguard children - GOV.UK](#) guidance is a statutory framework issued by the Department for Education (DfE) in England. It outlines the responsibilities of organisations and agencies to work collaboratively to protect and promote the welfare of children.

Working Together to Improve School Attendance

The [Working together to improve school attendance - GOV.UK](#) guidance, issued by the Department for Education (DfE), aims to enhance school attendance across England.

Trauma

Hampshire CAMHS

Hampshire Child and Adolescent Mental Health Services [CAMHS](#) is an NHS specialist service that supports young people aged 5-18 years and their families who are experiencing difficulties with their mental and emotional health.

Key services include:

- **assessment and treatment:** CAMHS provides comprehensive assessments and tailored treatment plans for a range of mental health issues, including anxiety, depression and behavioural problems
- **crisis support:** immediate support for young people in mental health crises, ensuring they receive timely and appropriate care
- **therapeutic interventions:** various therapeutic approaches, such as cognitive-behavioural therapy (CBT), family therapy and group therapy

Anna Freud National Centre for Children and Families

[Anna Freud National Centre for Children and Families](#) supports the mental health of children through research, training and treatment and offers free resources supporting children's mental health.

They also offer two free professional networks: [Early Years in Mind](#) and [Schools in Mind](#).

Beacon House

[Beacon House](#) is a therapeutic service with a specialist interest in working with those who have experienced trauma and loss and offers information and resources around the impact and repair of trauma and adversity.

Centre of Excellence in Child Trauma

[Centre of Excellence in Child Trauma](#) is an organisation combining resources, research and knowledge from experts across the sector.

Special Educational Needs and Disability (SEND)

Special Educational Needs and Disability Information, Advice and Support Service (SENDIASS)

[Hampshire SENDIASS - Special Educational Needs Support](#) provides impartial and confidential support to children and young people with special educational needs and disabilities (SEND), as well as their parents and carers.

Hampshire Inspection and Advisory Service (HIAS) Special Education Needs and Disability (SEND) site and helpline

Hampshire Inspection and Advisory Service (HIAS) [HIAS SEN Moodle](#) provides a range of resources to support children with special educational needs and disabilities (SEND) in schools.

Key resources include:

- **SEN support guidance:**
Offers strategies and approaches for addressing the needs of learners with SEND in the classroom
- **training programmes:**
Includes development programmes for SEN co-ordinators (SENCOs) covering statutory understanding, co-development and best practices
- **online resources:**
Accessible via the HIAS SEN Moodle, providing guidance, webinars and updates on SEND support.

These resources aim to enhance the educational experience and outcomes for children with SEND in Hampshire.

Parent Guide to Special Educational Needs (SEN)

The [Quick Guide - Parent Guide to SEN.pdf](#) provides information on the support system for children and young people with special educational needs and disabilities (SEND) including the types of support they will receive at school and an overview of the application for an education, health and care plan (EHCP).

Health

NHS Healthier together website

The NHS Healthier Together website healthierttogether.nhs.uk is a comprehensive resource aimed at improving the health and wellbeing of children, young people and pregnant women. The website encourages collaboration between patients and healthcare professionals to enhance local healthcare delivery.
