Introduction

The [Statutory Guidance for Designated Teachers](#) states that “The governing body of a maintained school and the proprietor of an academy must ensure that an appropriately qualified and experienced member of staff (DT) undertakes the responsibilities within the school to promote the educational achievement of looked-after and previously looked-after children on the school’s roll. They must also ensure that the designated teacher undertakes training that is appropriate to carrying out this duty”.

“A key part of the designated teacher’s role is ensuring that they, and other school staff, have strong awareness, training and skills around the specific needs of looked-after and previously looked-after children and how to support them. As part of this, designated teachers should proactively build strong links with the virtual school head (VSH) to access training and keep up to date with research and good practice” (2018).

The Hampshire Virtual School has developed a core training offer for Hampshire County Council (HCC) designated teachers (DTs) and designated leads (DLs) in early years (pre-schools/nurseries) and post 16 settings. The core training offer is designed to help DTs and DLs to fulfil their statutory duties towards children looked after (CLA) and previously looked after children (PLAC), children with a social worker (CWSW) and those in kinship care. For DTs and DLs in out of county (OOC) schools and settings, the assumption is that you will access your own local authority statutory training, although you are welcome to access training sessions offered by Hampshire also.

Some of the training is targeted specifically at supporting our CLA, PLAC, CWSW, or kinship care cohorts, but much of the training offered, such as our Early Career Teacher (ECT) training, is about supporting all vulnerable children and young people.

Every educational setting in Hampshire, including those without CLA, can access resources on the [Virtual School Moodle](#).

Our experience and research indicate that often, it is not just the DT and DL who need training to meet the needs of care-experienced children but any adult in the school/setting working with them. For this reason, our broad training offer is open to all staff responsible for supporting vulnerable children and young people with their education.

Please contact the Hampshire Virtual School to discuss any training requirements: HCC.VSTraining@hants.gov.uk.

Hampshire Designated Teacher Conference 2025

Thursday 2 October

Ashley John-Baptiste is an award-winning broadcaster and TV presenter, making reports & hosting The One Show, Sunday Morning Live, as well as Morning Live & BBC News. Ashley fronted the BBC Three documentary Care Home Kids: Looking For Love, where he goes back to look at the children who are growing up in the care system in the same way he did.

Other films include - My Life In Care and My Life Without Skin, as well as a documentary about siblings separated in care. Split Up In Care: Life Without Siblings premiered in January 2022, was a winner at the BBC News Awards, shortlisted in the Most Impactful Journalism category. Ashley was also shortlisted for the RTS Young Talent Of The Year 2018 award.

Ashley is an inspirational speaker who shares his hard-hitting and inspirational story of navigating through the care system. He is the founder of Be Inspired events which aims to spark aspirations of people who have spent time in care.

Ashley's debut book 'Looked After: A Childhood in Care' was published in June 2024.

Join colleagues from across Hampshire for the highly anticipated Designated Teacher Conference 2025. With a keynote speech from broadcaster, journalist and presenter Ashley John-Baptiste. We also have Nick Barwick, Director of Insight and Wellbeing, returning after his powerful speech at last year's conference.

This is also a great chance to network with other DTs and gain top tips to support our looked after children, previously looked after children, children with a social worker and those in kinship care.

Thursday 2 October 2025

Time: 9am-4pm

Cost: £125

"Every child deserves a champion – an adult who will never give up on them, who understands the power of connection and insists that they become the best that they can possibly be."

Rita Pierson

Nick Barwick's a true survivor whose life story could inspire anyone. Imagine facing life's harshest realities from a young age, battling the shadows of labels and stigmas because you grew up in foster care. That's the mountain Nick had to climb, and he did.

Nick's journey wasn't just about surviving; it was about thriving. At 13, he found his beacon of hope—people who saw his worth and pushed him to not only dream but to chase those dreams relentlessly. But life isn't a smooth ride, especially with a past heavy with trauma.

Nick knew anger, aggression, and the temptation to give in to despair. He stood on the brink, nearly another lost story, until a spark of realisation ignited his will to change his narrative.

Nick's time spent in care has given him an unwavering commitment to ensuring voices like his, find their strength and space to echo far and wide.

Attachment Training You can book this as an individual session or opt to include the afternoon session on Supporting Vulnerable Children in the Classroom for a full day's training.	Half-day session (face-to-face) Care-experienced children and young people come to education with a range of lived experiences that not only affect many aspects of their overall development but also their ability to 'settle to learn' in an education setting. They have increased challenges that must be understood by education professionals in order to best support them and ensure that they can achieve the best educational outcomes possible. This session introduces participants to some of the key ideas, concepts, research and strategies for trauma-informed practice in order to better understand and support our children and young people's needs. https://www.eventbrite.co.uk/e/1396383212779?aff=oddttdtcreator (08/10/2025) https://www.eventbrite.co.uk/e/1399380236959?aff=oddttdtcreator (12/02/2026) https://www.eventbrite.co.uk/e/1399421269689?aff=oddttdtcreator (29/04/2026)	9am to 12pm 08/10/2025 12/02/2026 29/04/2026	TBC

Early Years: Writing an Effective PEP	This session will look beyond the operational aspects of completing the PEP and focus on an effective process for writing a meaningful action plan. Participants will consider how to 'unpick' children's needs and strengths, including using needs analysis tools. The training will also cover how to write effective SMART targets and look at maximising the impact of disadvantaged funding (EYPP/PP+). Participants will be given opportunities to reflect on vulnerable children in their own setting/school as they explore the tools, as well as writing targets and collaboratively reviewing action plans. This session is suitable for staff supporting looked after children in Early Years, including those in Early Years settings and Year R. The content is also relevant for those supporting Early Years children who are previously looked after, and/or have adverse early childhood experiences. The session can be attended by the Designated Lead/Teacher or other staff supporting the education planning process. Early Years: Emotion Coaching	Emotion Coaching is a proven approach to developing emotional literacy and regulation, offering practical steps for responding to behaviour and feelings. It is linked to key attachment concepts, such as the importance of emotional containment and emotional connection. In this session, Emotion Coaching will be introduced as a tool to support regulation and emotional development. Participants will consider the steps needed to effectively emotion coach, and how this can be used in an Early Years environment. Course content will be relevant to all staff working with Early Years children to support emotional development and regulation. https://www.eventbrite.co.uk/e/1408620926109?aff=oddttdtcreator	18/06/2025 9.30am to 11am	Teams

Terms and Conditions

Funding

The Hampshire Virtual School uses the allocated pupil premium plus grant (PPPG) top slice to fund/subsidise the training offer. Therefore, most of the training is free for schools. As per the DfE conditions of grant, we are accountable for the spend and the impact. Therefore, we require all delegates attending training to complete the relevant evaluations. Please note that where non-attendance for a booked place occurs, we reserve the right to charge the cost back to the school.

Online training

Delegates attending online sessions via Teams are requested to join the session in time to register and ensure any technical difficulties can be resolved. Where possible, delegates must be able to access the microphone and camera to enhance participation. Where technical issues occur with the trainer and the online session is compromised, delegates can expect to receive a recorded session as a substitute and an optional alternative date offered.
